

# dance Scottish

A resource for teaching Scottish dancing in schools

Introduce children to their cultural heritage and give them social and physical skills for life by teaching Scottish Country Dancing in the classroom as part of the 5-14 curriculum.

This new pack contains:

- a book of 18 popular social dances graded from elementary to advanced, plus teaching advice and a glossary of steps and formations
- an audio CD containing music recorded by popular Scottish Dance bands for teaching and for all the dances
- a video illustrating teaching methods and a selection of the dances performed by school pupils.

Teachers with no experience of teaching Scottish dance will find this material gives them all the resources and confidence required to enjoy learning along with their pupils.

*Dancing is fun for all ages!*

The pack is available at a cost of £35 plus postage and packing from:
