

NOMINATIONS FOR EDUCATION AND TRAINING - CONVENOR

Malcolm Brown

Proposer: Christine Hare (*York & N Humberside*)

York & N Humberside

Seconder: Nigel Bell (*York & N Humberside*)

Being passionate about the teaching and training processes, this would enable me to contribute while serving the Society.

I worked for an international company, with responsibility for planning and forecasting sales.

I started dancing in 1967, passed the full certificate in 1972 and have taught weekly classes ever since. I have attended Summer School, Winter School and all three major overseas schools. I have taught at Classes and School both in the UK and all over the world. I have tutored candidates in every decade since the 1970s, including Russia in 2013.

I served on the Management Board (8 years) and on E&T committee (2 years), during which time I chaired and served on the Technique Panel and helped organise the AGM Conference weekend. I have produced videos for the Society, including a training video for Medal Test Assessors.

I co-founded the York & North Humberside branch, chaired and served on the committee, and produced a 40 page commemorative booklet to mark its 40th anniversary.

I would hope to bring a more international outlook to the post, recognising the different problems of overseas branches, and try to increase our use of modern technology, for example Skype and videos.

I confirm I can commit sufficient time to fulfil the duties of this post.

I confirm that I am able to travel to all meetings required by this post.
