

RSCDS Branch & Group Leaders Facebook Group

Dear Branch Administrators,

Headquarters launched the RSCDS Branch Secretaries Facebook Group in March 2015, in order to enhance communication worldwide with and amongst the Branches and Affiliated Groups. Branch Secretaries are getting to know one another and are sharing ideas, and moderators are responsive to topics that involve HQ. Recently we have decided to open up this group to all Branch Leaders, including Affiliated Group Leaders, as a way to initiate healthy dialogue amongst administrators in the Society. Communication is faster than individual or group emails and all Branch Leaders are invited to join the group.

The "closed" group content is visible only to the participants, and you need to have a Facebook account in order to participate. Moderators Mike Greenwood and Branch leader Tom Halpenny, who lead more on process and less on content, post topics and ask questions in order to stimulate discussion. Members provide the content and are free to post topics for discussion. Facebook is designed for people who have minimal technical knowledge, and is easy to learn and operate. Members may sign up to participate only in the group, and use Facebook for no other purpose.

If you would like to join the group, please visit the following URL:

Mike has authored a practical guide for creating your own free Facebook account:

We invite all Branch Leaders to join the group and network with each other!

Yours sincerely,

Michael Greenwood
