Notes to Index

- Titles of dances are spelled as per the most recent RSCDS publication of the dance. Titles in *italics* are alternative names for dances.
- Titles starting with “Mac” or “Mc” are listed separately. “Mac” or “Mc” not at the beginning of a title is sorted as if spelled “Mac”. Similar considerations apply to “Saint” and “St”. Initial articles such as “The” or “An” have been ignored for sorting purposes.
- Dances in *A Guide to Scottish Country Dancing* (previously published by Collins as *Collins Pocket Reference*) not included in other Society publications are included in this Index. RSCDS dances included in the *Guide* are referenced under the main publication only.
- Dances that begin with two chords are indicated.

Preface

This is the sixth edition of the upgraded *Index to Dances*, and features all RSCDS dances up to and including those from Book 51, published in July 2017. Earlier editions of this *Index* were very well received by members, and we hope that this updated version will prove as popular.

Note that in this version of the *Index*, we have included PDF “bookmarks” which will let you jump directly to individual sections of the dance list. Also note that clicking on any dance name will open the page for that dance in the *Strathspey SCD Database*.
