

Dashing White Sergeant

Dancers stand in rows of 3 facing 3 round the room.

All circle round for 8 steps and back again.

Middle person set and turn person on right with both hands.

Middle person set and turn person on left with both hands.

EITHER

1. Middle person turn right hand person and left hand person alternately

OR

2. All 3 in row dance a reel of three

All advance towards opposite line for 4 walking steps.

All retire for 4 walking steps.

Moving in the direction you are facing, all pass through opposite row to meet a new row.

Please note that WALKING steps are assumed for quick time dances. If dancers wish to be more energetic and use skip change of step, then they would take half the number of steps.
