

Canadian Barn Dance

Dancers stand with nearer hands joined facing line of dance, A's with partners on their right.

A's left foot, B's right foot, run forward three steps and kick.

A's right foot, B's left foot, run backward three steps and kick.

Moving away from partner take 3 steps and kick with a clap.

Moving back toward partner take 3 steps and kick joining in waltz hold.

Moving to A's left dance step, close, step and hop.

Moving to A's right dance step, close, step and hop.

Dance step, hop four times while revolving along line of dance.

To make the dance progressive, when moving away from partner A's should then go to the B's who are immediately behind.

Please note that WALKING steps are assumed for quick time dances. If dancers wish to be more energetic and use skip change of step, then they would take half the number of steps.
