

Reel of the 51st Division

Dancers stand in sets of 4 couples. All instructions take 4 walking steps unless otherwise stated.

1st couple set to partner and taking 12 walking steps cast off two places, meet and lead up to face 1st corners.

1st couple and 1st corners set and turn giving right hand and join left hands with partner.

Balance in line and 1st couple turn left hands to 2nd corners.

1st couple and 2nd corners set and turn giving right hand and join left hands with partner.

Balance in line and 1st couple cross left hands to own side in 2nd place.

Top three couples circle to the left and back again.

Please note that WALKING steps are assumed for quick time dances. If dancers wish to be more energetic and use skip change of step, then they would take half the number of steps.
