A's step back right foot and swing left, B's step back left and swing right.

Move forward along line of dance, step, close, step and face back against line of dance.

Move forward against line of dance, step, close, step and face partner joining both hands.

A's cross left over right and point right, B's cross right over left and point left.

A's cross right over left and point left, B's cross left over right and point right.

Moving along line of dance turn away from partner, then turn towards partner and facing partner rejoin both hands.

Step forward and swing, step back and swing, and change places turning B's under A's left arm.

Step forward and swing, step back and swing, and change places turning B's under A's left arm and take waltz hold.

Chassis to A's left then to A's right and waltz round line of dance.

Please note that WALKING steps are assumed for quick time dances. If dancers wish to be more energetic and use skip change of step, then they would take half the number of steps.
