

## 2021 NOMINATION FOR CONVENOR - YOUTH SERVICES COMMITTEE

**Philippa McKee**

*RSCDS Mid Argyll*

**Proposer:** Sue Porter (*RSCDS Oban & Lorn*)

**Seconder:** Kim Ritchie (*RSCDS Mid Argyll*)

I would bring to this post experience and understanding of dancing, teaching and committee activities. I have danced for over 30 years, passed Units 1, 2 and 3 in 2015 and teach the beginners class at my local branch, where I have also served on the Committee since 2009. I am currently a member of the Youth Services Committee and have also served previously. I am passionate about the opportunity to promote dancing and its benefits and encouraging engagement of youth members.

I work well with other people and believe I have the skills to serve as a productive convenor. I think more effort could be made into better understanding the audience that the Youth Services committee serves and how we can support that audience with communication, engagement, and initiatives to encourage & inspire.

I am a working professional and mother. I work as an environmental advisor in forest management, leading a team of 5, managing a budget and contributing to business strategy. I am efficient and very good at prioritising. I consider myself to be a good communicator and believe that I could make a major contribution to both the committee and the management board.
